CENTRE RECRUITMENT

We are still looking for more centres — should you wish to be involved or know of a prospective centre please contact Sarah Pountain (Study co-ordinator).

Dates for the Diary – Acute Stroke Research Training

We are running 2 training days with the NIHR CRN. These will be held on the

- 19th May in Birmingham
- 15th July in London

The training days will focus on the study, the rationale behind the methodology, look at effective recruitment, safe practice and the challenges of acute stroke trials. All are welcome and we look forward to seeing you there. For more information please go to the NIHR CRN website:
